About me

I'm a passionate and enthusiastic frontend developer, organized and focused on results, seeking to continuously improve. I'm searching a company with a great company culture, surrounded by a great team of developers whom I could learn from, working with the latest technologies.

Education

(January 2019- March 2019) Skylab Coders Academy

- Front End = () => HTML, CSS, SASS, Javascript, ReactJS
- Back End = () => NodeJS, ExpressJS, MongoDB, Mongoose
- TDD () => Jasmine, Mocha & Chai (always trying to reach at least 80% coverage)
- Agile Methodology, Scrum, Github, Trello, Slack.

(2007 - 2010) University of Barcelona. Bachelor of Science in Food Technology

(2003 - 2007) University of Vic. Degree in Food Nutrition

Online Courses:

- React – The Complete Guide
- React, NodeJS, Express & MongoDB – The MERN Fullstack Guide
- VueJS 2 – The Complete Guide
